

OUR LADY OF LOURDES CATHOLIC SCHOOL ATHLETIC PROGRAM

Our Lady of Lourdes Catholic School (OLOL) Athletics is a Parish/School organization. Religion Education students are invited and encouraged to participate. However, league rules have two requirements for Religion Education students: 1) The athlete must remain in good standing in either parish Religion Education Program, and 2) The athlete is not allowed to participate in an organized public school league of any kind (including organized intra-mural) AT THE SAME TIME that they are participating in a parish sport.

OLOL has a “no cut, everyone participates” policy. However, registrations will NOT be accepted from athletes who have not previously returned their uniform and/or equipment. All sports are open to boys & girls with the exception of volleyball. The following sport is offered:

CROSS COUNTRY: Athletes can join in with the West De Pere Middle School (Grades 6-8) or Notre Dame Middle School (Grades 5-8) program, which starts the end of August through the first week of October. Participate in local meets against other middle school and GRACE students.
