Dear Lourdes Families,

WOW!!! I know that word is used a little too much but it is the only word that sums up what our families and children accomplished last week. Starting with conferences and ending with a collection at last week-end's Mass, we have been collecting money to assist Mrs. Eggart's family and community where she grew up. We don't have final amounts but the student penny war alone rose over \$1,400 dollars. There were so many great stories that involved the student's giving. One student donated all of her birthday money for the cause. Thank you to all that were so generous.

I would like to spend a little time talking about gratitude. I have been reflecting on gratitude since the Night of Keys event. It continued after the staff and students heard a tremendous homily on gratitude at the Shrine of Lady of Good Help earlier this month. The homily centered on the concept that gratitude is the seed of love. The best part of my job is that I am able to view the school with a broad scope. I'm able to see most everything that is going on at school. Our school consists of 181 students, 24 staff members, and over 300 parents. When you think of our school in these terms, that is quite a community. Our school success depends on all of the above individuals sharing their time, talent, and energy with each other for the common good of all stakeholders. I'm blessed to see students, staff, and parents that pour so much of themselves into OLOL Catholic School. When situations arise that are unfortunate, I think of the little things that so many of our stakeholders do that bring so much pleasure to others. Please take a moment this week to be grateful for all of the things in your life that bring you joy and happiness. Science studies show that being grateful provides individuals numerous health and wellness benefits.

"Happiness cannot be traveled to, owned, worn, earned or consumed. Happiness is the spiritual experience of living every moment with love, grace, and gratitude." – Denis Waitley
