Mike Gosz

Camp Director/Primary Instructor

Mike Gosz begins his 25th year directing day camps in South-eastern Wisconsin. In addition he was the associate director of the Don Gosz Basketball Camps for 31 years.

He has been the head girls' basketball coach at Sussex-Hamilton High School and prior to that, he served as the assistant head coach for the boys' basketball program and as an assistant for the UW-Whitewater men's basketball program.

He has been chosen as an assistant coach for the WBCA All-Star game and during his first year as the girls' head coach at Sussex-Hamilton, his team qualified for the sectional tournament.

Mike's new video, "Fundamentals First", produced in 2005 is a two hour instructional film featuring many INDIVIDUAL ball handling, dribbling, shooting, low post and perimeter moves and some team/group passing, pivoting and shooting drills. These skills are necessary both in the development of a young basketball player and for a person interested in coaching young players.

FUNDAMENTAL CAMP

This camp helps develop the total basketball player. Individuals receive detailed instruction about ball handling, passing, dribbling, footwork, defense, and rebounding from an experienced coaching staff. Each camper will participate in league games along with a variety of individual competitions.

SHOOTING & OFFENSIVE SKILLS CAMP

This camp will strictly work on the technique and fundamentals of shooting. Each camper will have their shot video taped and critiqued with a written evaluation. The three day shooting camp will focus on good mechanics which will help raise your shooting percentage. Low post and perimeter moves will be emphasized.

AN ATMOSPHERE WHERE CHAMPIONS ARE MADE

PURPOSE OF THE MIKE GOSZ BASKETBALL CAMP

Basketball like other sports has become more competitive than ever! In order to succeed in high school, you must know the game.

Our camp will give you an opportunity to learn the skills that make you a better athlete. See how you measure up to competitors from other schools and find out for yourself what you must do to make your high school or grade school team.

The coaches will concentrate on teaching you the individual fundamental skills necessary to make you a better basketball player. They will teach you individual defense, team defense, rebounding, along with dribbling, passing, and ball handling. I know you will enjoy this basketball camp, and I look forward to seeing you this summer!

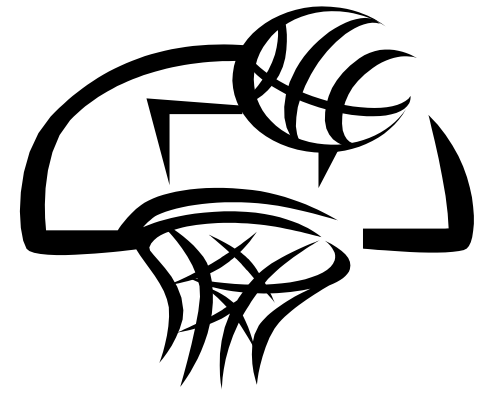

Camp T-Shirt

ALL campers will receive a camp T-SHIRT

A Message From Coach Gosz...

Good basketball players are committed to taking their game to a different level. If you fit into that category, you will not want to miss this opportunity. If you are ready to accept the challenge of working hard and improving your skills, and would like to have a great deal of fun, come join the Mike Gosz Basketball staff and players at our camp. We want each camper to have a great experience and walk away having learned something new and feeling great about the game of basketball.

Waiver:
