

WE ARE:
GRACE:

April 17, 2018

Dear GRACE Family,

We are very excited to share transformations to our Food Service Program that will be made for the 2018-19 academic year!

Many families have asked if it were possible to provide an alternative to our current Food Service Program. Suggestions made to us included exploring the option of changing from our current vendor to an alternative vendor or possibly cooking meals onsite.

We completed a comprehensive evaluation involving a thorough facility analysis which identified that preparing meals onsite would be cost prohibitive. We also explored other vendors, including the Food Service Program at the School District of West De Pere.

As a result of our research, we have chosen to partner with the School District of West De Pere for Notre Dame of De Pere and Our Lady of Lourdes Food Service Program in the 2018-19 academic year. Some of the new and improved services will include:

- ▶ Salad stations offered daily
- ▶ Two fruit choices offered daily
- ▶ New food and menu options

Your feedback and assistance has been greatly appreciated, and we are pleased to enrich our Food Service Program for your children and our students. As we implement the changes, we will be actively engaged within our school communities and seeking continued feedback.

If you have any questions or comments now or at any time, please feel free to contact me at (920) 433-7330, ext. 306 or jhurley@gracesystem.org.

In His Service,

Jamie Hurley, RD, CD
Director of Food Service
