

Dear OLOL Families,

We are SO excited for the Second OLOL School Garden Season! Kindergarten, First and Third grade have each planted several garden plots with a variety of vegetables. Now we need your help! Throughout the summer we are asking that families sign up to be gardeners. We will need families to weed and water our gardens, three times a week. As a reward any vegetables ready for harvest will be yours to take home and enjoy!

The gardens are small and if cared for as requested, should only require 15-20 minutes of your time each visit. Please consider volunteering 2 days each month as a family. There will be watering cans for watering and a bucket to collect the weeds!

In the fall our students will continue to care for our gardens and enjoy the fresh vegetables for morning snack! Please return the sign-up sheet below or contact Mrs. Johnson (jmjohnson@gracesystem.org) if you would like to volunteer! We really need your help to make this program successful!

Thank you in advance for your support!

We would love to help out with the OLOL garden this summer!
