

MORNING MANDARIN (CHINESE) CLASS

中文早课

Welcome to the 2018-2019 School Year Student and Parents,

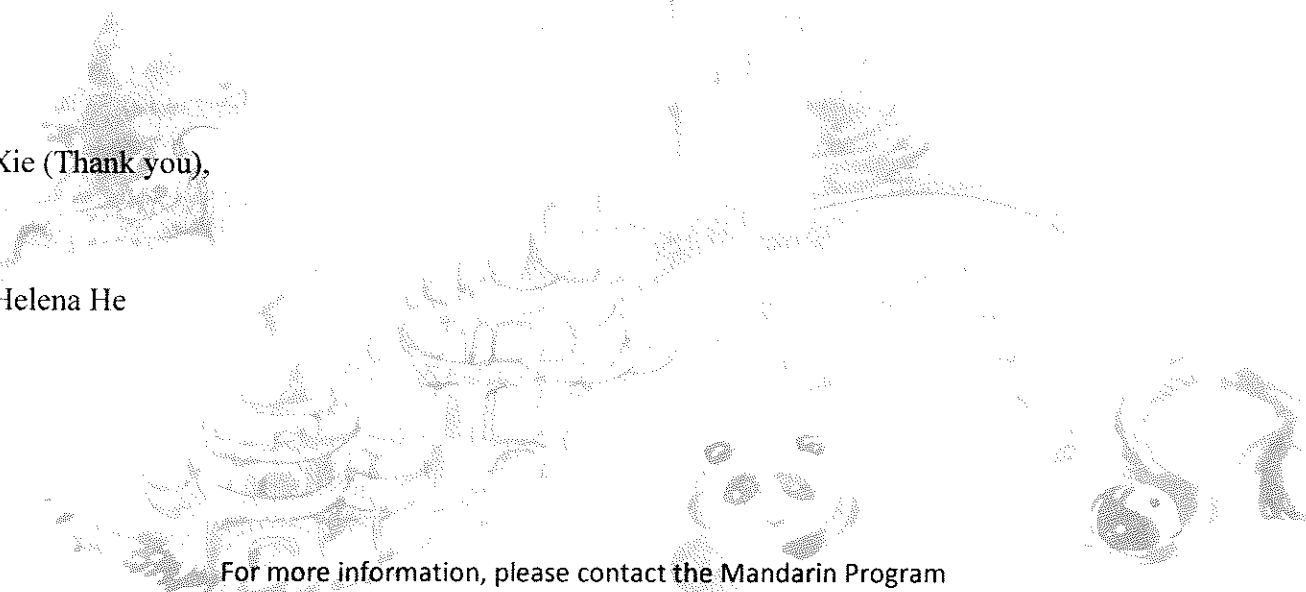

I am excited to share the opportunity to learn Mandarin in an early morning class. In this class I will provide a fun approach to learning language and culture for elementary students. The opportunity for OLOL students to learn two languages in a non-pressured environment is immeasurably valuable to their education which I am pleased I can provide.

Please see the adjoining flyer for details. We ask that you register your child by September 6, 2018 so the class preparation can be finalized.

I look forward to an enriching school year in our morning class.

Xie Xie (Thank you),

Ms, Helena He
