Dear OLOL Families,

Thank you to all of you that attended the Night of Keys last Saturday Night. I would especially like to thank our co-chairs, David Cuene and Colleen Steier. The two OLOL parents sacrificed nights and weekends to ensure that we all had an enjoyable and profitable evening. Every stakeholder of our school should appreciate what they have done for our school. I mention many times in my writings that we need to be more aware of the blessings in our lives instead of what we see wrong in our lives. Mr. Cuene and Mrs. Steier are blessings to our school because of their dedication for this event. Enhancements to our school and curriculum are a result of the hard work that they put into the Night of Keys. Please thank them when you see them at school. Many other school parents dedicated their time and energy for this event. I will be thanking them in next week's Lourdes Letter.

OLOL is proud to welcome a new 7th grader to our school for a little while. Marcela Paganini is a 7th grade exchange student from Guatemala. Marcela is staying with the Green family during her stay here in Wisconsin. Welcome Marcela!

Social Media and the Internet make our life easier. Unfortunately it can cause damage to our younger children. I strongly suggest that you attend the Safeguarding Innocence presentation on November 8th. Please see the attachment for all of the details. If you are unable to attend, please make sure you are monitoring what your students are viewing and sending online. Young children need direction and assistance from adults when they are on their phones or tablets.

Conferences are continuing tomorrow. Just a reminder that conferences are not the only time for you to communicate with your child's teacher, teachers are available throughout the year to discuss any concerns that you may have. Strong healthy relationships between teachers and parents help create the best learning outcomes for students.

Our school accreditation through the Wisconsin Religious and Independent School Association is being renewed next month. On November 7 and 8, a team will be visiting our school to verify our credentials. As part of this visit, the team will call some of the school families at random. You may get a call. Accreditation is a huge undertaking for our staff and the result of many hours of labor. It is an opportunity to showcase our great school.

**\$1 Dress Down**

We have our 1st \$1.00 dress down day tomorrow. Each year we pick 1 organization that receives the funds we raise throughout the year. This year we will be raising funds for Prader Willi Syndrome. This disease effects one of our Lourdes families. Students will be learning about this syndrome throughout the year.

**Thank you**, parents, on behalf of the 8th-grade class for the donations to Paul’s Pantry. Those items that you have sent with your child to school will be used to help the food shortage. Our 8th-grade class was able to go to Paul’s Pantry and see how much people have helped out. Your resources have gone to a great cause.
